

20 March 2020

Dear Parents and Carers,

Improve learning and achievement for all students

As you would be aware the situation with COVID-19 is evolving and changes are being implemented to allow us to strengthen our role in the containment of the virus. This has included increasing the frequency and intensity of our handwashing practices as well as additional cleaning products (hand sanitizer, antibacterial spray, wipes, paper towel and gloves) in each class. I have attached the FAQ that Mrs Wilson sent out on Monday in relation to COVID-19. All these measures are being taken at the direction of the Education Directorate, with the safety of students and staff and opportunities for quality learning as the priority. As a consequence, we have had to regretfully postpone the swimming carnival this week, however, when conditions improve, we will look to reschedule this later in the year. Other events that have been postponed include, Our Early Years Enrichment Program, Breakfast Club, The Parenting Reading Program and all school assemblies. We ask that you refrain from bringing in any baked goods from home for children's birthdays. You are more than welcome, after we get the all clear, to bring them in and celebrate a belated birthday with the class. On Monday we will take a video of our students who have received awards and upload it to our Facebook page.

Develop an expert teaching team

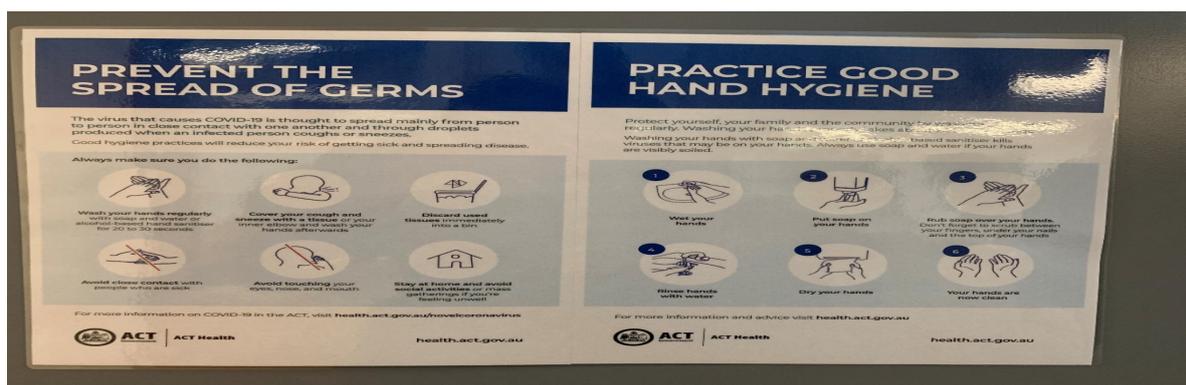

School Review will take place in week 10. A team of principals will be on site for three days viewing the evidence we have collated in relation to our school priorities. They will be interviewing staff, students and selected parents. At the end of the visit a School Review Report will be presented to the leadership team outlining our commendations, affirmations and recommendations. The recommendations then form the basis of our new strategic plan. I want to thank Ms Calvert for the work she has done in preparing the report.

Last week our PBL team of Deb Watling, Andy Fraser and Jennifer Glover presented the behaviour matrix and lesson plans for Positive Behaviours for Learning, (PBL) to be focussed on for this term. These included, All Settings, Lining Up, Toilet, Bag Areas and Library. Each week teachers provided explicit lessons to our students around expected behaviour and expectations for each of these settings. Our current focus is personal hygiene, particularly, the regular washing of hands.

A safe, inclusive and respectful school culture

At Richardson we provide students with the opportunity to have a fruit break each morning. Please ensure a healthy option is included in your child's lunchbox. Fruit is provided (when available) at our front office for those students who do not have food for this.

With COVID19 (corona virus) teachers are explicitly going through hand wash procedures with their students how to wash their hands thoroughly and correctly. Signs are up in all units the give clear and explicit instructions.

Caring and Sharing

What's happening in Kindergarten

Kindergarten has had such an exciting start to 2020. There has already been so much growth from students that it is hard to believe it was only 5 weeks ago that we welcomed you all to Richardson Primary School. Students have been doing a great job settling into new school routines and growing into positive learners.

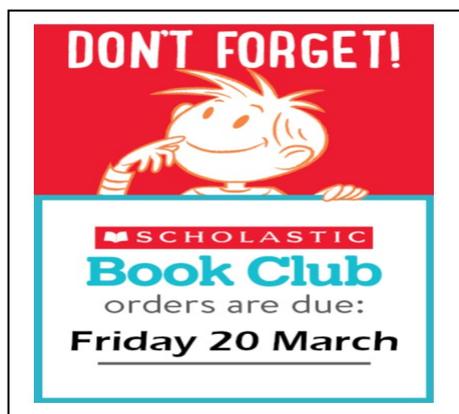

During our literacy time we have been investigating various sounds and letters of the alphabet. Students have been investigating s, a, t, p, i and n in books and in their names. We have also begun exploring the different features of a sentence such as; capital letters, punctuation, finger spaces and checking that the sentence makes sense when we read it. We have started to send home 'home readers' and encourage you to spend the time each afternoon/night to share this book with your child.

Through our inquiry unit 'Who We Are', students have been exploring and investigating how relationships are connections between people. We have been focusing on friendship, learning how to make friends and learning about what good friendship looks like.

To begin our mathematics sessions each day we have been counting the first 100 days of school which is always an exciting part of that day. Students have also been focusing on naming, writing and making collections to 10. They have been doing this through hands on lessons using counters, dice and various games such as buzz.

We are looking forward to a wonderful year of growing and learning!

Amie Smith and Natalie Hogan.

Caring and Sharing

Richardson Primary School acknowledges the Ngunnawal people, the traditional custodians of this land. We would also like to pay respect to the United Ngunnawal Elders Council and to the Elders, both past and present of the Ngunnawal nation. We also extend that respect to other Aboriginal and Torres Strait Islander people in our community.

SMOKE FREE

All public school grounds in the ACT are smoke-free. A government policy, which prohibits smoking at all government schools came into effect on January 1, 2008. It applies to all staff, departmental officers, students, contractors and visitors, including volunteers. Under the policy, smoking is no longer allowed in enclosed and open spaces, such as ovals and car parks, or in grounds managed by the ACT Department of Education.

Flexi School Lunch Orders

Healthy Kids Association welcomes you to another year of providing your school with healthy lunches.

We are a not for profit organisation and our mission is to promote and influence healthy food choices for children.

Your lunches will be delivered every Friday for the 11.00 break, lunch orders will need to be placed by 8.30am.

Order lunches online at Flexischools.com.au or you can download the new Flexischools App. REMINDER: Please ensure you update your child's new classroom for 2020.

Looking forward to continuing our service to you.

MEDICATION

DEPARTMENTAL POLICY REQUIRES SCHOOLS TO ENSURE THAT:

Any request for administering medications must be in writing. The school **will not** administer medication without required documentation.

The medication must be accompanied by clear written instructions on the method of administration, timing and dosage, and signed by a doctor. Forms can be provided by the school upon request.

We would be grateful if such documents regarding medication could be sent to the school to ensure we are following the departmental policy and medical records are up to date.

Parent/Carers Workshop

Literacy Accessibility Tool

Boost reading and writing confidence

Read & Write for Google Chrome (RW4G)

Read & Write for Google Chrome (RW4G) offers support for Google Docs and the web and is especially beneficial for students with diverse literacy needs. It offers a range of powerful support tools to assist students to gain confidence with reading, writing, studying and research e.g. text to speech, speech to text, word prediction.

RW4G is available free for all students and teachers in ACT Public Schools. Students can access the tool anywhere at school, home etc. The licence has been extended for the next 3 years.

Workshop details and registration

Two workshop sessions will be offered, if you are interested in attending please register for **one** of the workshop dates by emailing to michelle.vanpuyvelde@act.gov.au and/or **6207 4225**.

The ACT is in a very good place to respond to COVID-19 and the Directorate has developed plans for ACT schools to respond to the potential spread of the virus in school communities. The Education Directorate continues to work closely with ACT Health.

To assist parents, carers and the broader school community, the following answers have been compiled to frequently asked questions around how ACT public schools are managing their response to COVID-19.

Are schools boosting their cleaning or hygiene practices in response to the threat of COVID-19?

We are focusing our cleaning on maintaining the best possible hygiene standards to staff and students. All ACT public schools have been asked to ensure school-wide hygiene practices such as hand washing are in place, encouraged and maintained and that signage is displayed around good hand hygiene, preventing the spread of germs, coughing and sneezing

Currently, the ACT Government is not advising additional cleaning or disinfecting procedures to be implemented in schools, public transport, shopping centres and other public places.

How will the school respond if there is a confirmed case of COVID-19 at a school?

- Planning has been underway to assist our schools in the event of the spread of the virus in our school communities. When and if there is a case of COVID-19 in an ACT school, these plans will be scaled in proportion to the spread of the virus. Our response will be based on ACT Health advice and learnings from other jurisdictions.

Is it possible that schools will close?

- If a student or staff member were to test positive to the virus, the impacted school may close for a short period while ACT Health investigates the incident. Those students and staff identified as close contacts of a case will need to self-quarantine at home for 14 days.
- Parents will be notified by their school if it is to close via their normal communication channels which include email and SMS.

What about my child's learning? (will there be provision of online resources?)

- All ACT public schools have access to the Google platform which they use daily with their students. We are working ensure that flexible learning options are available for all students.

For college students, how will workload and BSSS requirements be met?

- The ACT Education Directorate is working with BSSS to ensure college students will still be able to meet learning requirements if their school needs to close for a short period.

Advice for parents on sending children to school

If your child develops any symptoms such as a fever, cough, sore throat or shortness of breath:

- Call your GP in the first instance. By calling your GP before arriving they can take appropriate infection control measures.
- Call your school to let them know.

As always, please do not send your child to school if they are showing any symptoms of sickness. Once your child is well again, they can return to school.

My child has COVID-19, do I need to notify the school and how long should they be excluded from school?

- Yes, you need to notify your child's school as soon as possible if your child has received a positive diagnosis for COVID-19. Your school will work with you and ACT Health to follow up close contacts and take appropriate public health action in line with national guidelines and well-established processes.
- The ACT Education Directorate will also receive direct advice from ACT Health, if a public school student or staff member returns a positive diagnosis for COVID-19.

What happens if my child has had close contact with another student who has a confirmed case of COVID-19?

- Students and staff identified as close contacts of a case of COVID-19 will need to self-quarantine at home for 14 days.
- Being quarantined at home means that you, or your children, need to stay at home, except if you are unwell and need medical attention. You cannot go to work, school, or public areas (such as shops or cafes/restaurants) and should not use public transport, ride share or taxis. You also need to tell people not to visit you while you are in self-quarantine.

Someone in our household has coronavirus, can my child go to school?

- If you are concerned your child may have been exposed to or have symptoms of novel coronavirus (COVID-19), it's important you limit exposure to other people to reduce the risk of transmission.
- Students identified as close contacts of a case of COVID-19 will need to self-quarantine at home for 14 days.
- Being quarantined at home means that you, or your children, need to stay at home, except if you are unwell and need medical attention. You cannot go to work, school, or public areas (such as shops or cafes/restaurants) and should not use public transport, ride share or taxis. You also need to tell people not to visit you while you are in self-quarantine.

What should I do if I think my child may have COVID-19?

- You or your child should get tested if:
 - you've travelled overseas recently, and you develop symptoms of COVID-19 within 14 days of leaving an overseas country.
 - you're concerned you may have come into contact with someone who has COVID-19 and you develop symptoms of the disease within 14 days of contact with the sick person.
- If you think you might have COVID-19:
 - Limit your exposure to other people by isolating yourself at home.
 - Call your GP and let them know you are worried you may have COVID-19. Testing will be arranged by your GP or medical practitioner if they determine it is necessary. It usually takes about 24 - 48 hours for the test results to be returned, but in some cases may take longer. Further information for someone who is being tested is available [here](#).
 - If you can't see your GP, the preferred Walk-in Centre (WiC) for assessment is Weston Creek WiC. If you are attending a WiC, please ensure you use a mask and hand sanitiser available at the front door.
 - You do not need to visit the Emergency Department unless you have severe symptoms, such as shortness of breath, chest pain or high fever.
- If you or your child have recently travelled internationally or been in contact with someone who has COVID-19, and have symptoms of COVID-19 (such as fever, cough or sore throat), it is important that you take certain steps to reduce the risk of transmission.

Are students and their families who have travelled to certain countries excluded from my school?

- New quarantine requirements are in place for anyone arriving in Australia from overseas from midnight on 15 March 2020.
 - Anyone returning from any overseas country, should isolate themselves for 14 days.
- The ACT Health Directorate continues to work closely with the Australian Government and other health authorities across the country to monitor and respond to the evolving global situation. As the situation evolves advice will be updated, as necessary.

Are events going to be cancelled at my school?

The Australian Government has announced that all organised, non-essential mass gatherings attended by more than 500 people must be cancelled from Monday 16 March 2020.

This announcement does not recommend school closures however, it does apply to a range of school events and events organised by school communities.

From Monday 16 March, the following events will be cancelled in ACT public schools:

- upcoming school or regional/ACT swimming, athletics and other sporting events, large band or other music concerts where there would be large gatherings of students
- school assemblies
- parent/teacher nights
- school open days/nights.

Are school excursions still going ahead?

Local and interstate school excursions, including camps will be cancelled - effective from Monday 16 March.

All camps scheduled to commence from Monday 16 March will be postponed and rescheduled, or, if there is no other option, cancelled.

I understand that I, and each participant in the activities, will be engaging in activities involving a real risk of damage to property including property belonging to The Bank, my own property and property belonging to a third party. I voluntarily accept all risks necessarily flowing from my participation, which could result in loss of life or injury and damage to property.

Liability Release and Indemnity

I hereby release The Bank and all persons or corporations associated directly or indirectly with the conduct of activities from all claims, demands and proceedings arising out of my participation and hereby indemnify them against all liability (including liability for their negligence and the negligence of others) for all injury, loss or damage arising out of or connected with my participation in the activities. This release shall extend to and include The Bank and the promotion organiser, partners, managers, officers, agents, contractors, any club, organisation and volunteers including medical and paramedical personnel appointed for the activities. The owners, licensees and occupiers of the land on which the activities or any part of it are conducted or which is involved directly or indirectly with the activities in any manner whatsoever and promoters, sponsors and activities organisers. This release and indemnity continues forever and binds my heirs, executors, personal representatives and assigns.

Equipment and Facilities Inspection

I agree that before I participate in the activities, I will independently inspect the related facilities and equipment. I will immediately advise The Bank of any unsafe condition that I have observed. I will refuse to participate in the activities until all unsafe conditions observed by me have been remedied. I acknowledge that reasonable safety precautions are undertaken by The Bank (such as supervision, helmet safety checks), but such are a service to me and other participants and not a surety of safety.

Protective Equipment

As an activities participant I hereby agree to supply and wear my own suitable helmet, sandshoes or runners plus a t-shirt and shorts as the minimum protective equipment requirements at all times whilst I am taking part in the activities.

Physical Fitness

I have independently assessed the activities and I am physically fit to participate in the activities in which I have chosen to participate and have not been advised otherwise by a medical practitioner. I do not have any possibly relevant pre-existing medical or physical conditions, which have not been disclosed to The Bank and the activities organisers.

Medical Treatment

I consent to receiving any medical, eg first aid, treatment that The Bank considers reasonably necessary during or after the activities.

Drugs and Alcohol

The consumption of alcohol and illicit drugs is strictly prohibited at The Bank. I acknowledge that if I am found consuming to be consuming alcohol, or to be affected by illicit drugs then I will not be able to participate in the activities.

Personal Property

I hereby acknowledge that I have the sole responsibility for my personal property during the activities. I acknowledge that I am responsible for wearing appropriate skating gear including a helmet.

Video Recorders

I acknowledge that video recorders (GoPro, Sony, etc) are permitted, but must be securely mounted to a helmet. Legal Waiver I acknowledge the terms and conditions of this document are contractual in nature, are intended to have legal effect and are not a mere warning or recital. The Bank is not responsible for my decision to participate in the activities and I was not induced by The Bank to do so. I acknowledge my registration is not transferrable to any other person. I have read this document, understand its contents and complete it of my own free will.
