

2 May 2019

Dear Parents and Carers,

Welcome to Term two, it is already looking busy with the school cross country and athletics carnival, the return of Richardson's Interests and Pursuits Program (RIPP), NAPLAN, high school transition visits, early years enrichments workshops and school photos, to name a few!

### **Improve Learning and Achievement for all Students**

Enrolments for Preschool and High School have now commenced for 2020. More information is available on Education Directorates website - [https://www.education.act.gov.au/school\\_education/enrolling\\_in\\_an\\_act\\_public\\_school](https://www.education.act.gov.au/school_education/enrolling_in_an_act_public_school)

Next week will see us hosting two major whole school sporting events. The first will be our rescheduled cross country carnival on Wednesday 8 May followed by the athletics carnival at Calwell playing fields on Friday 10 May. The time will remain the same for cross country; 11.45am until 1.15pm. Parent support and assistance is warmly welcomed for both events. Please let Mr Smith know if you are available to help.

The National Assessment Program – Literacy and Numeracy (NAPLAN) is an annual national assessment for students in Years 3 and 5. Students participate in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy tests. NAPLAN will be held between Monday 13 May and Friday 17 May.

Notes will go out shortly for selected children to participate in our annual Early Childhood Enrichment Workshops to be held at Taylor Primary School on Tuesday 28 May. These workshops will be facilitated by teachers from all schools in the Tuggeranong Network. The aim of the workshops is to develop students' passion, knowledge and understanding of all things Science, Technology, Engineering and Maths (STEM).

### **Develop an Expert Teaching Team**

This term we warmly welcome two new staff members to our team. Mrs Sarah Bowtell joins us from Fadden Primary working three days a week, two of which will be as an additional teacher supporting Ms Watling to deliver our targeted intervention program and the other day will be teaching in our preschool. Mrs Hayley Byron also joins our team as a Learning Support Assistant (LSA). Hayley will work with our students and teachers in the year one and two teams.

As well as new staff we also welcome three student teachers to our little school. Caitlin Herringe from the University of Canberra will be with Emma Vince on 3/4 for the next two weeks. Cassandra Tye also from the University of Canberra will be with Anne Tow in the LSU for the next two weeks and Cloe Cheshire from the online course of Swinburne University will return to KM and the Ladybugs, for the next four weeks. Many of our students already know Cloe as she works across the road at the Richardson Childcare Centre.

### **Provide a Safe, Inclusive and Respectful School Culture**

Teachers at Richardson value communication with parents. Please be mindful that before school teachers are busy preparing for the day ahead. If you need to speak with your child's teacher, please make an appointment or leave a message with the front office, so a convenient time can be made for all parties.

At the beginning of each term a new clubs timetable for break times is released. This term we have a wide range of activities on offer. These include: Monday - Kitchen Garden, Tuesday - Boxing and Kick and Catch on the oval, Wednesday - Masterchef and Kick and Catch on the oval, Thursday - Lego Legends in the library and Friday - Bikes. All students are welcome to come and try.

Last week we had a lovely visit from our friends at the Richardson Childcare Centre. The educators and students had created beautiful gifts for our students that included decorated pencils and scrumptious muffins and biscuits. All our

teachers were given potted succulents for their desks along with heartfelt cards. This remarkable gesture followed the Random Acts of Kindness Day, a day to celebrate and encourage random acts of kindness and the whole pay it forward mentality. This prompted great discussion amongst the classes, many students coming up with a variety of ways to make people's day. I thank the amazing Cherie Fensom and her team: *"Kindness is a gift everyone can afford. Kindness is free, sprinkle that stuff everywhere!"*

Our SPARK reading mentor program is kicking off tomorrow morning in the library. We have thirteen students participating in this initiative and several mentors from businesses around Canberra. I thank Mrs Agius for her continued leadership of this community partnership initiative.

This year the P&C are not running a Mother's Day Stall. Classroom teachers will engage the students in a variety of craft activities so the significant females in the students' lives will still receive a wonderful surprise. The P&C will be running a sausage sizzle and potentially a cake stall on the day of the election, Saturday 18 May 2019. Further details will follow.

Ms Watling is busy organising our school ready for our 2019 launch of our highly successful Richardson Interests and Pursuits Program (RIPP) in week three. It will again be held on Friday afternoons and if you have a special talent, skill or passion that you would like to share with our students or simply want to assist during the program's operation, please do not hesitate to contact the front office. Last year we had over twenty parents and grandparents helping, a super effort indeed!

Late last term members of our P&C and I hosted the inaugural meeting of the whole of Richardson suburb play review through the ACT Government Better Suburbs Play Spaces Program. Just under 2 million dollars has been allocated to improve play spaces across Canberra. At this stage the group is seeking input from the community, via a series of engagement initiatives. The first one is a pop-up event that is running at the Richardson shops this Saturday, 4 May from 10am to 1pm. I am also liaising with Tait Network and TCCS to come and host a workshop with our students in the next few weeks. The workshop will ask for students' ideas to design a playground that will achieve a better mix for all ages, abilities and play styles. Please see the attached flyer for more information about the pop-up event.

Kind regards,  
Anna Wilson  
Principal

### **ACT Parents and Citizens and the Education Directorate working together for safer schools.**

*Building Strong and Safe Communities for Learning* is a partnership project between the ACT Education Directorate and the ACT Council of Parents and Citizens Associations (P&C). It focuses on all of us - parents, students, principals and teachers- working together to reduce violence and bullying in schools. An initial workshop discussed the key issues, what is working well or not working well, and who contributes to these. A second workshop with representatives of the P&C Council and the Education Directorate considered the outcomes of the first workshop to help prepare for further conversations with our school community.

We want to make it easy for anyone who wants to have a say to be given the opportunity to be involved. There are two remaining workshops you may wish to attend:

- On 9 May 2019, 8:30am – 4:30pm the workshop will explore the key question *"How might we reduce and respond to violence in schools and co-create strong and safe communities for learning?"*.
- In June 2019 a 2 – 3 hour showcase will highlight what we have learned. It will enable participants to attend at different times during the day.

If you require any further information, or if you wish to attend the 9 May or June workshops, please contact Ms Leanne Ballard on [Leanne.ballard@act.gov.au](mailto:Leanne.ballard@act.gov.au) or 6205 2912 by 12 April, last day of Term 1.

#### 1. Accidents at school:

Any member of our school or local community who has an accident before, after or during school please come to the front office or ring the front office as staff trained in First Aid are available to assist, support and offer First Aid. We certainly want to know about all accidents, offer whatever support we can at the time and follow up as well as rectify any safety risks we are unaware exist around the school. Thank you for your cooperation.

#### 2. Allergy Aware:

We currently have a number of children and staff with Asthma and gluten, nut, artificial colouring / preservatives allergies presenting in our school and the wider community. Our staff supervise eating duties at lunch time every day and train the children to eat their own food, NOT to share food and NOT to borrow or swap food. In particular peanut butter products, fresh peanuts or nutty muesli bars.

Richardson Primary School is a nut aware school. We ask families not to bring nuts or nut products to the school or to school activities in order to minimise exposure to students who do have allergies.

While this is an acceptable strategy to reduce the risk of exposure to known allergens, it is never possible to guarantee a school site is nut free.

Richardson Primary School cannot claim that we are nut or peanut free. Such a claim could not reliably be made and, if made, may lead to a false sense of security about exposure to peanuts and peanut products.

Some food packaging have the words 'may contain' in relation to nuts. The 'may contain' statement is voluntary information provided by the manufacturer in order to inform the consumer that the product may have been inadvertently contaminated during the manufacturing process. It does not necessarily mean that the product will contain the allergen (this information is on the ingredient list). Some children who are at risk of anaphylaxis eat the products that have the 'may contain' statement while others do not.

Products with the 'may contain' statement do not need to be removed from the school.

### **3. Medication:**

Departmental policy requires schools to ensure that: Any request for administering medications must be in writing. The medication must be accompanied by clear written instructions on the method of administration, timing and dosage, and signed by a doctor. Forms can be provided by the school upon request. **We would be grateful if such letters regarding medication could be sent as soon as possible.**

### **4. Bikes and scooters:**

Bikes & scooters are to be left locked at the bike & scooter racks. The school does not accept responsibility for lost or stolen bikes or scooters. By law, a helmet must be worn while riding.

### **5. Canteen:**

Healthy Kids Association will operate from Calwell High School and deliver lunches to Richardson Primary School every Friday at 11:00am. The menu has a variety of freshly made food and drinks that have been approved by the National Healthy School Guidelines. The ordering process has been streamlined using an online service called flexi schools where you can plan ahead and make an order the night before. All orders must be completed online

### **6. Children arriving after 9.00am or leaving school before 3.00pm:**

If you need to keep a medical or dental appointment or for any reason, please come to the front office and sign your child /ren back into/out of school. This is for safety and security reasons so that we know exactly who is on the premises.

### **7. Containers for food:**

Tins (especially lids) and glass containers are dangerous to have in lunch boxes. We encourage you to use reusable plastic containers at all times.

### **8. Current Contact Numbers:**

It is **very important** that we have your current contact numbers and at least one other emergency contact number. If your child is sick or has an accident we need to be able to contact you immediately.

### **9. Dogs:**

ACT Dog laws prohibit dogs from being on the premises (including the grounds) of primary schools at any time. For the safety of our students, dogs should not be on

the school grounds. There are obvious problems when dogs use the playing areas as a toilet. We also have some students who are very frightened by dogs.

### **10. Information Regarding Events, Excursions and Performances:**

Please remember all notes that go home have a definite closing date. Your assistance with returning all notes, along with your permission is crucial to informing us as to whether the event can proceed or not. There is a section in the newsletter advising when notes are sent home and a list of coming events.

### **11. Liability for the Loss, Damage or Theft of Students' Personal Property at School:**

Advice from the ACT Government Solicitor indicates that notwithstanding the merits of each particular incident, schools generally cannot be held responsible for the intervening acts of third parties, resulting in the loss, damage or theft of students' personal property. Parents and students are advised that schools do not provide private insurance cover to automatically compensate for the loss, damage or theft of bicycles or other personal property and nor will they be legally liable for the loss.

### **12. Lost Property:**

Parents are requested to label all items of school clothing, as staff endeavour to ensure all labelled items misplaced are returned to their owners. All lost property is at the front office area in a basket labelled "lost property". At the end of each term, school uniform lost property items **WITHOUT** any identification, are washed and donated to charity. Please visit the lost property area regularly throughout each term to claim items.

### **13. Mobile Phones and all Electronic Equipment:**

All mobile phones and electronic equipment brought to school must be left at the front office in the morning. Phones and any electronic equipment can be collected at 3pm. Thank you for your assistance with this matter.

### **14. Playground Equipment:**

The school playground equipment should only be used by students during school hours under the supervision of staff. **In the interests of the safety of all children, parents should ensure that their children do not use this equipment before or after school or when a staff member is not supervising, unless of course you are there providing the supervision outside of school hours.**

#### **14. Retrieving Items from the Roof:**

Mr Branko is the only staff member who has undertaken additional training regarding safety with accessing the roof. As a result, he will only be able to access the roof once a fortnight to retrieve any items that have found their way onto the roof.

#### **16. Safety in the Car Parks:**

The aim is for people to park in the various designated spaces, which have been designed to minimise the risk for children and adults, particularly as pedestrians, as they move into and out of the car parks. Double and triple parking is particularly dangerous, as children can be hidden as they move between cars. As well as the central car parking spaces in front of the school, please consider using the car parking areas marked out next to the oval or along the side streets bordering the school such as Rohan, Mack, Pritchard or Chauncy Crescents. We appreciate your cooperation, as keeping our Richardson children as safe as possible is our main focus.

#### **17. School Psychologist:**

We have a registered psychologist, Lukasz Kucharski, who can provide individual support to students, parents and teachers. Parents or carers will always be contacted to give permission for the School Psychologist to work with a child. If you wish to make an appointment contact our Deputy Principal on 6142 3630.

#### **18. School Chaplain:**

Our RPS chaplain is Hazel Maniti. Hazel works at the school on Wednesdays and Thursdays. She provides support and referrals to students, parents and teachers. Parents can contact the chaplain through the school office. Parents or carers will be contacted to give permission for students to participate in the voluntary programs run by the chaplain. She also works with students in class settings. If parents have any questions or comments, please contact the school office.

#### **19. School Uniforms:**

We wear GREEN AND GOLD with pride. Uniforms with the school logo are available from Savvy's at Home World Tuggeranong. Alternatively green shorts and gold polo shirts can be purchased from local providers.

#### **20. Smoke Free:**

**All public school grounds in the ACT are now smoke-free.** A government policy, which prohibits smoking at all government schools

came into effect on January 1, 2008. It applies to all staff, departmental officers, students, contractors and visitors, including volunteers. Under the policy, smoking is no longer allowed in enclosed and open spaces, such as ovals and car parks, or in grounds managed by the ACT Department of Education and Training.

#### **21. Student Absences:**

Class rolls are marked both morning and afternoon by the class teacher each day. All student absences are recorded using the following code. An **S** for when written advice has been received by the class teacher to explain that the student has been sick or ill for a particular day or for a specific number of days. An **L** for when written advice has been received by the class teacher to explain that the student has been on leave for a particular day or for a specific number of days. If the class teacher does not receive any information regarding a student's absence, then an **A** is recorded for the specific day. All student absences and late arrivals are totalled at the end of each term and recorded on student records. Children arriving after 9.15am are asked to report to the front office and collect a late note to take to the class teacher. Your assistance with providing information for every student absence is greatly appreciated.

#### **22. Sun Hats and Keeping Safe at All Times:**

Richardson Primary school recommends that children wear broad brimmed sun hats for Terms 1 and 4. Hats are not required to be worn in Terms 2 and 3. We ask all families to be aware and take extra care regarding safety for your child/ren wearing any earrings other than studs, necklaces, jewellery, clothing or hats which have long cords that could possibly get caught on equipment. At RPS we support the safety of all children at school.

#### **23. Unauthorised Access to School Roofs:**

Parents are reminded of the dangers inherent when children climb onto the school roof. Your support in reminding children of these dangers is requested. Signs have been erected at the school warning of dangers of accessing the school roof.

#### **24. Volunteers and Visitors:**

All visitors, classroom helpers, and volunteers must come to the front office to sign in. This is for safety and security reasons so that we know exactly who is in the building.

## 25. Complaint or Concerns

Many concerns are resolved quickly and easily by discussing the matter directly with the school.

Firstly speak directly to your child's teacher or talk to a member of the executive team. If you continue to be concerned please make an appointment to see your principal.

If you are not satisfied you may lodge a written complaint. The Complaints Policy and Complaints form are available from the policy section of the Directorate website: [www.education.act.gov.au](http://www.education.act.gov.au)

You have the right to approach the ACT Human Rights Commission. Details are available from the Commission website: [www.hrc.zact.gov.au/humanrights](http://www.hrc.zact.gov.au/humanrights).

If you need assistance, or you would like to compliment us, contact the ACT Education and Training Directorate's Liaison Unit on 6205 5429 or visit [www.det.act.gov.au/contact\\_us](http://www.det.act.gov.au/contact_us)

Thank you for your cooperation in these matters.

Do you have an interest, hobby or skill that you would love to share with the students at Richardson Primary School?

We will be recommencing Richardson Interest and Pursuits Program (RIPP) on Friday 17 May, between 2pm-3pm.

If you would like to get involved please complete the slip below.

2019**

# 2019 VOLUNTARY CONTRIBUTIONS

## Dear Parents & Carers

The School Board is writing to give you information about Voluntary Contributions. Donations from families are an important way to raise money for our school. A request for a Voluntary Contribution is no more than a request to help our school.

## Why does the School Board Request Voluntary Contributions?

Each school is given an allocation of money from the ACT Government and this is linked to enrolment numbers. This money is carefully budgeted by the School Board to pay the costs for running the school such as the cleaning contracts, electricity, water, sewerage, maintenance, resources for all teaching units, photocopying, postage, IT and all operating costs. While funding is adequate for most of the school's basic needs, there are always other important items, which are needed to enhance the learning programs. Such as targeted teaching resources, sporting equipment and books for children. From time to time there are also unexpected expenses, which need to be met from the school budget.

## How much in 2019

For 2019 the School Board has suggested an amount of \$60 per family. This is a **suggestion only** and other options are available.

Deb Clarke – School Board Chair

Emily O'Neil – PGC President

Anna Wilson – Principal (02) 6142 3630

## PLEASE NOTE:

Voluntary Contributions can be paid by cash, cheque or direct deposit. These can be made at the front office on any school day. All information regarding payment of contributions is strictly confidential. If you have any questions, concerns or comments please contact the front office on (02) 6142 3630.

## Parking unsafely and illegally around schools

As we drive and park our cars around schools we all need to ensure the safety of school students is our priority. Parking illegally and unsafely across pedestrian crossings, corners and verges puts children at risk. We all need to help keep our children safe. Here is a short video
