Caring and Sharing

A small school achieving BIG Things

Dear Parents and Carers,

Welcome back to term 3! We have had an amazing start to the term. As we start the new school term, it's important to acknowledge the COVID-19 pandemic is continuing and this will be reflected in the way our school operates in Term 3.

On the advice of the Chief Health Officer, the ACT Government has paused its easing of restrictions and as a result we will remain at Step 2.2 of the COVID-19 Easing of Restrictions Roadmap for Schools until health advice changes. The Roadmap is attached to this newsletter for your information.

Restrictions in ACT public schools will remain as they were during the last two weeks of Term 2:

- Students across all years will continue with on-campus learning.
- Students vulnerable to COVID-19 will continue to be supported with remote learning.
- Schools will continue to limit the number of adults on school grounds – parents and carers should avoid entering the school building where possible.
- Where scheduled events are planned (such as one on one parent-teacher interviews and small assemblies) parents can attend the school, however physical distancing and hygiene requirements must always be adhered to by adults.
- Records will be kept of visitors entering the school.

Despite the advice from last term, we will not be hosting school assemblies at this stage.

We will keep you informed of any changes to the easing of restrictions and what they will mean for our school.

Cleaning of high frequency touch points such as door handles will continue across the school both during the day and out of school hours, and we will continue to provide sufficient soap, paper towel and hand sanitiser for students and staff.

The ACT Government has introduced mandatory public health directions which require ACT residents to self-isolate for 14 days if they have travelled to Victoria and three specific locations in New South Wales (the Crossroads Hotel in Casula between 3-10 July, Planet Fitness in Casula between 4-10 July, or the Picton Hotel in Picton on 4, 5, 9 or 10 July).

You can find more information and updates on the ACT Government [COVID-19 web page](#).

If your child/children have been in any of these locations, you will need to follow the health advice and self-isolate for the required period. Please contact the school to let us know if your child won't be attending school.

We understand that this is a challenging time for our school community and that children may experience increased anxiety. It's important we all take time to focus on our wellbeing and the wellbeing of our families during this time. The Education Directorate has compiled a range of useful wellbeing resources for students and families which can be accessed via this [link](#).

If you have any questions, please speak with your child's teacher in the first instance.

Improve Learning and Achievement for all Students

Every five years, all schools in the Act Education Directorate partake in a whole school review process. This is a great opportunity for schools to reflect and celebrate their successes. In term one, Richardson Primary School was due to participate in this but it was postponed due to Covid 19. School review will now take place in term 4 week 4.

Next week our Preschool team will complete the Assessment and Rating review. This process involves external assessors to come into the preschool and observe teaching practices, conduct formal interviews with the teaching staff and leadership team while gathering evidence to support their assessment. After this process the assessors will provide a report to the school outlining our strengths and areas for further development. The report will also include a rating for each of the National Quality Standards of either working towards, meeting or exceeding. Last time this process was conducted in 2017, the school received excelling in Leadership and Service Management and Collaborative Partnerships with Families and Communities and meeting in the other five National Quality Standards.

The staff at Richardson Preschool have been recently reviewing and updating our preschool philosophy. This statement guides our teaching practice and how we interact and respond to our students. An email was sent to all Preschool families with a link asking them to provide feedback and ideas. Thank you to those parents who have already completed this.

Semester one reports were emailed home on the last day of school in term two. Following on from this, we are inviting parents and carers to take part in Parent Teacher interviews that are scheduled for week three and four this term. Due to our current restrictions we are encouraging parents and carers to make an appointment with their child's class teacher and opt for the interview to take place either via telephone or in person. Parent teacher interviews notes will be sent home today. Please complete the form and return to school by Monday 27 July. A confirmation note will be sent back to confirm your booking.

In week three, we will have our first School Board meeting with our new school board committee members. Congratulations Mr Chris Wicks and Mrs Deb Clarke who will be our parent representatives and Mrs Deb Watling and Mr Ben Smith our teacher representatives. Mr Jimmy Varghese will continue on as community representative.

Develop an Expert Teaching Team

At the start of the year we welcomed Natalie Hogan as the temporary SLC executive teacher for the preschool and kindergarten team. Natalie was replacing Nicole Agius who won a position in the Education Directorate. We are delighted to announce that Natalie has won the position substantively and will continue to work with the leadership team here at Richardson Primary School. Natalie is an experienced and well-respected leader within our system. She brings a wealth of teaching and learning knowledge and is known for her strong relationships with students and the community.

Provide a Safe, Inclusive and Respectful School Culture

This term, we are excited to start our Richardson Interests Pursuits Program (RIPP) in week 3. This is an opportunity for students to work in multi age groups on Friday afternoons in areas that interest them. Some of the groups will include cooking, dance, craft, sports and many more. At this stage we are unable to invite parents to support the groups but look forward to when you can join us in the future.

Have your say! In the next few weeks the annual School Satisfaction Survey will be available online for parents to complete. Parents and carers, school staff and students in year 4 to 6 will be asked to participate in these important surveys. The survey results will contribute to school research and improvement processes. This information can be invaluable to the school in understanding and responding to our community's perceptions. Please take the time to complete this anonymous survey as it will provide us with valuable feedback about what we are doing well and what we need to improve. A letter or email about the parent survey will be sent to you in August.

Kind regards

REMINDERS

School Phone Number: 6142 3630

School email: info@richardsonps.act.edu.au

1. Accidents at school:

Any member of our school or local community who has an accident before, after or during school please come to the front office or ring the front office as staff trained in First Aid are available to assist, support and offer First Aid. We certainly want to know about all accidents, offer whatever support we can at the time and follow up as well as rectify any safety risks we are unaware exist around the school. Thank you for your cooperation.

2. Allergy Aware:

We currently have a number of children and staff with Asthma and gluten, nut, artificial colouring / preservatives allergies presenting in our school and the wider community. Our staff supervise eating duties at lunch time every day and train the children to eat their own food, NOT to share food and NOT to borrow or swap food. In particular peanut butter products, fresh peanuts or nutty muesli bars.

Richardson Primary School is a nut aware school. We ask families not to bring nuts or nut products to the school or to school activities in order to minimise exposure to students who do have allergies.

While this is an acceptable strategy to reduce the risk of exposure to known allergens, it is never possible to guarantee a school site is nut free.

Richardson Primary School cannot claim that we are nut or peanut free. Such a claim could not reliably be made and, if made, may lead to a false sense of security about exposure to peanuts and peanut products.

Some food packaging have the words 'may contain' in relation to nuts. The 'may contain' statement is voluntary information provided by the manufacturer in order to inform the consumer that the product may have been inadvertently contaminated during the manufacturing process. It does not necessarily mean that the product will contain the allergen (this information is on the ingredient list). Some children who are at risk of anaphylaxis eat the products that have the 'may contain' statement while others do not.

Products with the 'may contain' statement do not need to be removed from the school.

3. Medication:

Departmental policy requires schools to ensure that: Any request for administering medications must be in writing. The medication must be accompanied by clear written instructions on the method of administration, timing and dosage, and signed by a doctor. Forms can be provided by the school upon request. We would be grateful if such letters regarding medication could be sent as soon as possible.

4. Bikes and scooters:

Bikes & scooters are to be left locked at the bike & scooter racks. The school does not accept responsibility for lost or stolen bikes or scooters. By law, a helmet must be worn while riding.

5. Canteen:

Healthy Kids Association will operate from Calwell High School and deliver lunches to Richardson Primary School every Friday at 11:00am. The menu has a variety of freshly made food and drinks that have been approved by the National Healthy School Guidelines. The ordering process has been streamlined using an online service called flexi schools where you can plan ahead and make an order the night before. All orders must be completed online

6. Children arriving after 9.00am or leaving school before 3.00pm:

If your child/ren arrives after 9.15am or needs to leave during the day for any reason, please come to the front office and ask to sign your child /ren into/out of school. This is for safety and security reasons so that we know exactly who is on the premises.

7. Containers for food:

Tins (especially lids) and glass containers are dangerous to have in lunch boxes. We encourage you to use reusable plastic containers at all times.

8. Current Contact Numbers:

It is **very important** that we have your current contact numbers and at least one other emergency contact number. If your child is sick or has an accident we need to be able to contact you immediately.

9. Dogs:

ACT Dog laws prohibit dogs from being on the premises (including the grounds)

of primary schools at any time. For the safety of our students, dogs should not be on the school grounds. There are obvious problems when dogs use the playing areas as a toilet. We also have some students who are very frightened by dogs.

10. Information Regarding Events, Excursions and Performances:

Please remember all notes that go home have a definite closing date. Your assistance with returning all notes, along with your permission is crucial to informing us as to whether the event can proceed or not.

11. Liability for the Loss, Damage or Theft of Students' Personal Property at School:

Advice from the ACT Government Solicitor indicates that notwithstanding the merits of each particular incident, schools generally cannot be held responsible for the intervening acts of third parties, resulting in the loss, damage or theft of students' personal property. Parents and students are advised that schools do not provide private insurance cover to automatically compensate for the loss, damage or theft of bicycles or other personal property and nor will they be legally liable for the loss.

12. Lost Property:

Parents are requested to label all items of school clothing, as staff endeavour to ensure all labelled items misplaced are returned to their owners. All lost property is at the front office area in a basket labelled "lost property". At the end of each term, any lost property items WITHOUT any identification, are washed and donated to charity. Please visit the lost property area regularly throughout each term to claim items.

13. Mobile Phones and all Electronic Equipment:

All mobile phones and electronic equipment brought to school must be left at the front office in the morning. Phones and any electronic equipment can be collected at 3pm.

14. Playground Equipment:

The school playground equipment should only be used by students during school hours under the supervision of staff. In the interests of the safety of all children, parents should ensure that their children do not use this equipment before or after school or when a staff member is not supervising, unless of course you are there providing the supervision outside of school hours.

15. Retrieving Items from the Roof:

Mr Branko is the only staff member who has

undertaken additional training regarding safety with accessing the roof. As a result, he will only be able to access the roof once a fortnight to retrieve any items that have found their way onto the roof.

16. Safety in the Car Parks:

The aim is for people to park in the various designated spaces, which have been designed to minimise the risk for children and adults, particularly as pedestrians, as they move into and out of the car parks. Double and triple parking is particularly dangerous, as children can be hidden as they move between cars. As well as the central car parking spaces in front of the school, please consider using the car parking areas marked out next to the oval or along the side streets bordering the school such as Rohan, Mack, Pritchard or Chauncy Crescents. We appreciate your cooperation, as keeping our Richardson children as safe as possible is our main focus.

17. School Psychologist:

We have a registered psychologist, Ashleigh Dolan, who can provide individual support to students, parents and teachers. Parents or carers will always be contacted to give permission for the School Psychologist to work with a child. If you wish to make an appointment contact our Deputy Principal on 6142 3630.

18. School Uniforms:

We wear GREEN AND GOLD with pride. Uniforms with the school logo are available from Savvy's at Home World Tuggeranong. Alternatively green shorts and gold polo shirts can be purchased from local providers.

19. Smoke Free:

All public school grounds in the ACT are now smoke-free. A government policy, which prohibits smoking at all government schools came into effect on January 1, 2008. It applies to all staff, departmental officers, students, contractors and visitors, including volunteers. Under the policy, smoking is no longer allowed in enclosed and open spaces, such as ovals and car parks, or in grounds managed by the ACT Department of Education and Training.

21. Student Absences:

Class rolls are marked both morning and afternoon by the class teacher each day. All student absences are recorded using the following code. An **S** for when written advice has been received by the class teacher to explain that the student has been sick or ill for a particular day or for a specific number of days. An **L** for when written advice has been received by the class teacher to explain that the student has been on leave for a particular day or for a specific number of days. If the class teacher does not receive any information

regarding a student's absence, then an **A** is recorded for the specific day. All student absences and late arrivals are totalled at the end of each term and recorded on student records. Children arriving after 9.15am are asked to report to the front office and collect a late note to take to the class teacher. Your assistance with providing information for every student absence is greatly appreciated.

22. Sun Hats and Keeping Safe at All Times:

Richardson Primary school recommends that children wear broad brimmed sun hats for Terms 1 and 4. Hats are not required to be worn in Terms 2 and 3. We ask all families to be aware and take extra care regarding safety for your child/ren wearing any earrings other than studs, necklaces, jewellery, clothing or hats which have long cords that could possibly get caught on equipment. At RPS we support the safety of all children at school.

23. Unauthorised Access to School Roofs:

Parents are reminded of the dangers inherent when children climb onto the school roof. Your support in reminding children of these dangers is requested. Signs have been erected at the school warning of dangers of accessing the school roof.

24. Volunteers and Visitors:

All visitors, classroom helpers, and volunteers must come to the front office to sign in. This is for safety and security reasons so that we know exactly who is in the building.

25. Complaint or Concerns:

Many concerns are resolved quickly and easily by discussing the matter directly with the school. Firstly speak directly to your child's teacher or talk to a member of the executive team. If you continue to be concerned please make an appointment to see your principal.

If your concern remains unresolved, you may wish to contact Families and Students, Complaints and Feedback Unit using the online contact form at www.education.act.gov.au/contact_us or call 6205 5429.

Thank you for your cooperation in these matters.

MEDICATION

DEPARTMENTAL POLICY REQUIRES SCHOOLS TO ENSURE THAT:

Any request for administering medications must be in writing. The school **will not** administer medication without required documentation.

The medication must be accompanied by clear written instructions on the method of administration, timing and dosage, and signed by a doctor. Forms can be provided by the school upon request.

We would be grateful if such documents regarding medication could be sent to the school to ensure we are following the departmental policy and medical records are up to date.

There is a basket near the front office that is full of lost property. If your child/ren are missing anything please take the time to check the lost property basket. Any items left after 10 August 2020 will be given to charity. Thank you.

Dear families,

YWCA Canberra Clubhouse is excited to ease some capacity and social distancing restrictions that have been in place since re-opening our physical doors in term 2!

Firstly, I would like to thank you for your patience, understanding, and flexibility during COVID-19, especially when we were navigating and implementing the previous booking system. Your support has been very much appreciated!

In term 3 there will be changes to our opening days, maximum capacity, booking system, and activities available. This email will outline these changes and explain the measures put in place to maintain safe hygiene and the sanitisation of the space.

Attending the Clubhouse:

- The Clubhouse is returning to an open access/drop-in service where young people can “drop in” without notice. **There is no longer a need to book in to attend.**
- the number of people permitted to be in the Clubhouse is now a maximum of 14 young people and 2 staff members
- our usual hours of operation will be **Monday, Tuesday, Wednesday, and Thursday** from 3:00pm – 6:00pm. These revised hours will begin when school returns for term 3.
- **Tuesdays will no longer be dedicated to teenagers** and is open for anyone age 10-18 to attend.
- We want all members to have an equal opportunity to attend the Clubhouse and we understand that many members attend the Clubhouse from nearby schools. Please email youth@ywca-canberra.org.au if you would still like to book your child/dependant in to attend on particular days.

Capacity of the Clubhouse:

- the number of people permitted to be in the Clubhouse is now a maximum of **14 young people** and 2 staff members
- please drop off and pick up your child/dependant at the door. Please do not enter the Clubhouse, as entering may exceed our maximum capacity

Hygiene practices:

- all surfaces will be disinfected before Clubhouse opens and throughout the session
- all young people will be required to wash their hands with soap upon arrival
- hand sanitiser will be available at stations around the Clubhouse and used before moving onto another activity
- stations will be disinfected after each use
- all surfaces will be cleaned before closing the Clubhouse

Activities at the Clubhouse:

- activities that require extensive cleaning or involve contact with the face will not be available. This includes Lego, Lego Mindstorms, virtual reality, using the eye viewer on the cameras, and reading books
- used resources will be disinfected after use

Please do not hesitate to get in contact should you have any further questions about the revised COVID-19 measures for the Clubhouse. Any feedback you have about these changes is welcome.

Thank you again for your ongoing connection to the Clubhouse and we hope to see you soon!

Warm regards,
Annie-Lea Rowley
Clubhouse Coordinator
